Ladies Report

Thanks as always to ladies team captains, Ruth (who resigned recently as overall ladies captain), Tracy, Sarah, Martha, Roz, and Di who between them all via emails, text, whatsapp, phone calls, chit chats have managed all the ladies teams.

Overall the teams will stay in their divisions, with one promotion and one relegation. We are still waiting for another result – Tracy's winter ADL 1st team, can we get a second promotion? this one into the winter ADL Division 1, we won't know until next week though, but is a great achievement as they only got promoted last year from Division 3.

The ladies Monday night team practise is going from strength to strength with new team players joining the club over the last month. Sarah James has worked tirelessly since September to get it up and running regularly. We now have a squad of 30 ladies who have been attending these practise sessions. We have also invited Bucks County Doubles Player / Coach Rebecca Burns to give us a few doubles tips during our coaching sessions this year as well. This has been very popular amongst the ladies attending.

Thanks again to all the captains, your help is invaluable, and those who assist without even knowingwhat diamonds they have been!
