Thanks as always to ladies team captains, Tracy Brockbank, Sarah James, Roz Pringle, and Jo Walkley.

Have to congratulate Jo Walkley's team in the 2018/19 Oxfordshire Babolat League. A brilliant promotion, where every set in this league counts and they managed to secure 1 more set than Haddenham to take 3rd place and promotion to this very tough league. The Bucks Shield teams fared well. Our Bucks shield 2 pair team where so unlucky being relegated as new rules were introduced even though they came 5th out of 8 teams. Aylesbury and District Leagues were challenging in 2018 but hope to improve our performance and even aim for promotion in 2019.

The ladies Monday night team practise is going from strength to strength. With a lot of hard work from Sarah James in organising the ladies weekly rota, a squad of around 30 ladies attend these practise sessions throughout 2018.

Thanks again to everyone, your help is invaluable.
